- A new option has been added to **Overview Tab | Configure Exams Assist.**
 - Added the ability to hide results from the portal/email link from a specific date.

Hide results in portal / email link with a series date:

Before dd/mm/yyyy 📅 After dd/mm/yyyy 📅

Result series dates are set to the 1st of the month - May and July series are set to June.

- If there is a need by the centre to only show exam results from a specific date, then enter this date here. If the centre only requires the Summer Season Results to be visible on the candidate's portal, or in the email link, then enter a date in the **Before** Date Option.

Note - Any results entered for the Summer Season; for May, June or July, the date for all these will be set to the 1st of June in Exams Assist.

- Two new options have been added to **Overview Tab | Edit Season.**
 - Allow students to request a copy of selected script.
 - Allow Exams Officers to complete the students consent form.
